ArtBeat Make & Take Project Rules & Guidelines

Saturday, August 3, 2013 - 10:00 a.m. to 7:00 p.m.

Located in various spots throughout the WaterFire Sharon ArtBeat event

Arts organizations and businesses wishing to apply to *ArtBeat Make & Take* must submit the application form along with two (2) images of their make and take project either via postage paid mail (7 W. State Street, Suite 301; Sharon, PA 16146) or email to dayna@waterfiresharonpa.org. We are looking for accurate representations of the project you intend to offer. Include *ArtBeat Make & Take* in the address and/or subject line.

ArtBeat Make & Take provides arts organizations and businesses with a venue to offer art and craft make and take projects to attendees for a fee. We are looking for hip, trendy or chic art and craft projects. In an effort to remain open minded to all art and craft projects we are not identifying or limiting booths based on categories but selecting make and take artists based on the projects they will bring to the WaterFire Sharon ArtBeat event.

Examples of the style of make and take arts and crafts projects we are looking for are:

- Duct Tape Art
- Sand Art
- Kids Accessories (sunglasses, jewelry, etc.)
- Ceramic Art
- Origami Art

A confirmation of receipt of submission will be sent to all applicants via email. A Make & Take panel will select projects in order to ensure that we do not duplicate make and take projects. After reviewing application and submitted images while accounting for a balanced exhibit across projects, the panel will invite applicants to participate.

Vending areas will be open for set-up from 7:00-9:30 a.m. All *ArtBeat Make & Take* booths must remain open until 7:00 p.m. All vendors must be torn-down by 8:30 p.m. Vendors will be given access to vending area for loading and unloading. A parking area will be provided.

Check-In:

Check-in begins at 7:00 a.m. A photo ID is required at that time. Booth numbers and other materials will be distributed at check-in. Please locate your booth area as quickly and safely possible. Once you unload you must move your vehicle to the designated parking lot and then set-up at your leisure. All booths must be set-up by 9:30 a.m.
